

**What is CONVERGE?**

Youth Ki Awaaz's millennial youth event series in partnership with high-impact organisations and social enterprises that drive bold conversations for change. The objective is to get young people to engage and act on key social issues that matter and amplify the issue by taking it to millions. Youth Ki Awaaz in partnership with Sauhard, is bringing Converge to your city, Ahmedabad this September!

**The format:**

Back-to-back crisp and powerful talks on a specific theme, bringing together issue experts, influencers, and passionate young people. Each speaker is given a 20 minute slot for their talk (12 minutes for the talk, followed by 8 minutes for audience Q&A).

**Audience Profile:**

The audience at Converge comprises of a young audience aged 16-35, who are students, young professionals, social entrepreneurs, writers / artists, grassroots workers, young leaders, journalists, researchers and are actively looking for avenues to learn and create change.

**Why CONVERGE:**

- There is a severe lack of spaces for young people to engage with the issue of climate crisis, and with Converge in Ahmedabad, Sauhard and Youth ki Awaaz aim to fill this gap and create a space that allows exchange of information, ideas and learning around the climate crisis.
- The impact we envision by organising these action oriented talks and amplifying them ahead, is to inform a clear call-to-action on how young people can take forward the conversation, and form and influence the larger public narrative.

**Date:** 28th September (Saturday)

**Venue:** J B Auditorium, Ahmedabad Management Association

**Time:** 5 - 6:30 PM
