### **❖ NCC FLAG :-**

The NCC flag for various units of the NCC was first introduced in 1951. The flag of same pattern colour and size was used by various regiments of the Army. The only difference seen was NCC badge and unit designation placed in the center. Later on, it was felt that the flag should be in kept in with the inter service character of the Corps. In 1954 the exiting tricolor flag was introduced. The three colour in the flag depicts the three services of the corps, red for the Army, deep blue for the Navy and light blue for the Air force.
